This Digital XPress program provides cranial band wraps **free of charge** to all Capital Region kids.

If able, families are invited to make a donation to the Ronald McDonald House of Albany in lieu of any payment:

www.rmhcofalbany.org

What we do:

Upon receiving your request, DXP will contact you to confirm the design and details of your child's cranial band.

We will need your band for approximately half a day to apply the design.

Each band is wrapped with durable, non-toxic vinyl. The design is permanent and washable!

Digital XPress does stuff for grownups, too!
